

## Appendix 7: Graphs of diachronic pathways

This document collects all graphs from the book that model diachronic pathways of purposive constructions, with purpose clauses being both source and target constructions in grammaticalization.

Figure 30 (§4.2.2): *Semantic grammaticalization of the infinitive (adapted from Haspelmath 1989: 298)*

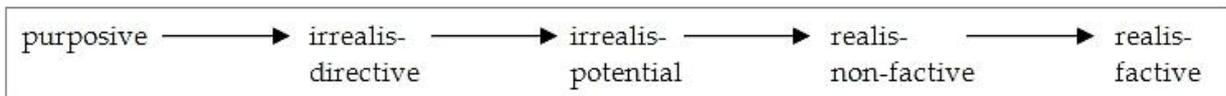

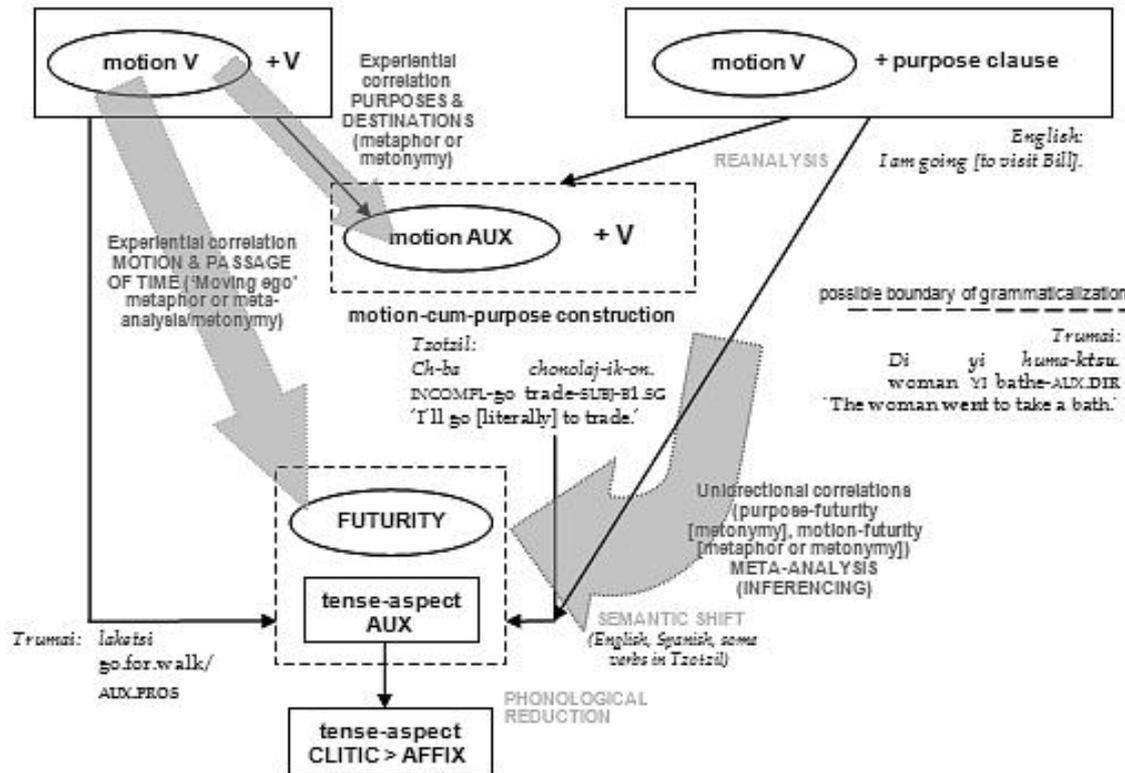

Figure 31 (§4.2.4): *Purpose clauses in the grammaticalization of motion verbs*

*Legend:*

- form of the (original) lexical or grammatical construction
- semantics of a construction
- emerging grammatical construction
- direction of historical change
- LIGHT CAPITALS linguistic processes involved in grammaticalization
- DARK CAPITALS conceptual processes involved in grammaticalization
- direction of conceptual mapping or inferencing process
